

2006 Granite Gripper Registration Form

Two Competitions: The Granite Gripper consists of a traditional style rope climbing competition as well as a bouldering competition. Both are scored on difficulty, you may only compete in one or the other.

Rope Climbing Comp: The competition includes cracks that are traditionally protected as well as bolted face routes. No ropes or anchor set up is provided. You must provide all necessary equipment to climb safely. There will be 8 divisions. Men's and Women's Novice (5.9 or less), Intermediate (5.10 or less), Advanced (5.11 or less), and Open (5.12 and up). Choose the level that best represents your ability. Scoring: Route scores are loosely based on the ratings in the *Dome Driver's Manual* and *Enchanted Rock: A Climbers Guide*. Obscure, run-out, or scary climbs may earn bonus points.

Bouldering Competition: You must provide your own pads and spotters. Follow low-impact bouldering guidelines. There will be 6 divisions, Men's and Women's Beginner (V0-V2), Intermediate (V3-V5), Advanced (V5 and up). Scoring: Point values will be based on ratings found in the *Little Dome Driver*. Bonus points may be awarded to projects, obscure, scary, or particularly difficult problems for the grade.
